SEXUAL HARASSMENT: DEFINED

behavior characterized by a pattern of unwelcome or uninvited sexual attention, remarks, or advances in a workplace or other professional or social situation

*This may include verbal and/or physical acts.

Sexual harassment, like other forms of sexual violence, is about power and control.

SEXUAL HARASSMENT

- How does this show up in our society? Sometimes it's overt, but sometimes the pattern of harassment occurs through microaggressions.
- How does trauma-informed support of victim/survivors look and sound?
