

Repro Shabbat: Opportunities to Get Involved

Two major ways to get involved alongside WRJ are through RAC Florida's reproductive rights campaign and the [RAC's Every Voice Every Vote Campaign](#).

WRJ is working alongside RAC-Florida to enshrine abortion rights in their state constitution through a ballot measure, similar to what other states have done in recent years following the overturning of Roe. Over the past several months, RAC-FL has been working as a part of the Floridians for Reproductive Freedom Coalition to collect signatures to ensure that the ballot measure makes it to voters in November.

The state validated 910,946 petitions, enough to put the questions to voters come election day in November; RAC-FL teams collected 17,000 of those petitions! There are lots of ways to get involved, both within and outside of Florida.

Some major dates to mark in February are:

- TBD: RAC-FL first phonebank (information to come!)
- February 7: Florida Supreme Court starts to hear arguments about phrasing of the ballot measure.
- February 28: RAC-FL's official relaunch!

[Every Voice Every Vote](#) is the Reform Movement's nonpartisan civic engagement campaign, working to make sure Reform Jews across the country register to vote and turn out for the election. In 2022, The Reform movement with significant involvement from WRJ mobilized to reach out to over 650,000 voters through phone calls, postcards, text messages, and canvassing.

As Election Day approaches, more opportunities to encourage voters to go to the polls and support issues including reproductive freedom will become available.
