

WRJ Heartland District is building a banner that will be unveiled at the 2026 Heartland District Convention in Indianapolis, and then used at District events.

If you'd like to participate, here's what you need to do.

1. Email Marci Kops at 530ttfn@gmail.com to request a square.
2. Embellish the square leaving a half-inch border around the perimeter.
3. Mail completed square back to:

Marci Kops
900 Alden Lane
Buffalo Grove, IL 60089

Ideas for squares but not limited to. (just use your artistic and creative ability)

Batik
Bead
Crewel
Embroider
Needle Point

Paint
Stamp
Tie Dye
Weave

You can work directly on the square or sew the finished product onto the square, remembering to leave a ½ inch border around your design.

Would you like to use your own fabric? That is fine as long as it is the exact size needed.

Marci needs your finished, decorated squares by **November 12, 2025**. If you have any questions please contact Marci: 847-687-7498, 530ttfn@gmail.com.
