

### **"EVERYONE CAN COUNT THEIR BLESSINGS"**

Now more than ever, the Mid-Atlantic District believes in the importance of helping others, especially women and their children. Your support to the MAD General Fund will provide youth camp scholarships, meeting registration subsidies to leaders within our district, innovation & engagement grants to sisterhoods, and support for Area Days events.

We thank you for being generous in your continued support to Mid-Atlantic District's General Fund. We want to continue to provide others with a gift when/where needed. Mark off as many categories that best suit you, so others who need a scholarship can count on US to help! Toda Raba! Thank YOU in advance for YOUR generous gift!
