

PROJECTS OF SERVICE TO THE NATION - 1941

Whereas, the National Federation of Temple Sisterhoods is deeply conscious of the tragic turmoil in which the contemporary world is involved, and

Whereas, its membership represents a large and influential body of women, each one of whom can through time and effort make a real contribution to the dual causes of spiritual and material defense,

Therefore, be it resolved, that the National Federation of Temple Sisterhoods in convention assembled, recommend to each affiliated unit the careful planning of projects and activities whereby our individual members may be of service in meeting the needs of the nation.
