

## The Jewish Family - 1982

---

- 1) Inaugurate and intensify within Sisterhood and congregation those activities that enhance and enforce Jewish family values and observations.
- 2) Initiate or participate in programs or projects to provide educational opportunities for Jewish parenting and for family activities recognizing the special needs of single parent families; sponsor day care programs for working women of Sisterhood and congregation.
- 3) Support and initiate programs of public education dealing with child abuse, drug use and alcoholism.
- 4) Support, whether by the Sisterhood and/or congregation, or in the general community, shelters for abused children and women.
