

WRJ ATLANTIC DISTRICT CONVENTION
October 18-21, 2018

Mitzvah Projects

Each convention attendee and their Sisterhoods are asked to participate in these important Tikun Olam activities.

Please note: It will be important to know what each Sisterhood is sending with their members attending the convention. We want to know in advance what is being brought to be able to fill the items requested. You may want to donate money instead of shopping for them. Please send your plans for this project to: gbrown226@gmail.com.

Thursday evening 10 PM – We will be making **Bookmarks** with information from Sharsheret that we will decorate and distribute to physician offices regarding breast cancer prevention and support systems for women and their families. All supplies will be provided at the event.

Knitting Without Borders We will again meet in the hotel lobby each evening to knit or crochet bears for children in need of comfort around the world. Please look at the website for printing the knitting/crocheting directions and bring your wool, knitting needles and/or crochet hooks. Stuffing fill will be provided.

Saturday morning 8:30-9:45 AM – **Blessing Bags** for the Elizabeth Coalition for the Homeless. These gallon zip-locked bags for the Operation Warm Heart emergency winter shelter, new admissions to their shelters and for their street outreach programs. They are requesting the following items: shampoo/conditioner, combs, tissue packs (small), liquid soap, hand sanitizer (small), wash cloth, razor (small Bic type) and small shaving cream, small pad and pen, toothbrush, toothpaste, small mouthwash, tube socks.

I look forward to meeting and greeting all of you at our District Convention. These Mitzvah projects are fun to do and a great way of showing how well we can do good in this world with our team approach. See you in October.

Regards,
Gloria
