Dear Friend,

Individuals and Women’s Groups can help make the Women of Reform Judaism Atlantic District’s Convention a huge success. Women from Pennsylvania, New Jersey and West Virginia comprise our district. The theme of our convention is *Answering the Call*. It will be held in Tenafly, NJ on October 18 -21, 2018. Your generous support will be used to enhance our programming and other convention costs. We thank you for your consideration and generosity. These conventions allow women to share ideas, bond, learn and grow. This gathering is essential for leadership development and your support is so appreciated. *Our WRJ Representative is Sara Charney, Vice President of Programs & Education*
