

Women of Reform Judaism Atlantic District

February 2018

Dear WRJ Atlantic Sisters,

Important & Timely!

The WRJ Atlantic District Convention, *Answering the Call* will convene in Tenafly, N. J., October 18-21, 2018. It's a weekend of spirituality, learning and camaraderie that you do not want to miss! **One of the most important functions of the District Convention is the election and installation of officers and area directors for our District.** Serving in district leadership is a personal and community honor. The leaders we elect directly impact the strength of Jewish women in their communities, where we work to strengthen our Reform Movement. Please encourage the *many* capable and interested women in your sisterhood and beyond to submit their names for consideration. Please also consider *yourself* if your current responsibilities would allow!

The WRJ Atlantic District Nominating Committee is beginning deliberations to prepare a slate of officers and area directors for the two-year term October 2018-2020. You are receiving this letter and a nomination form *both* electronically and by regular mail. Please make copies to distribute. The Atlantic District Manual on our website includes job descriptions for officers and area directors, and other helpful information.

Atlantic District serves as a vital link between WRJ and our local women's groups and individual members. Our officers, area directors and committee chairs provide direct connection, communication and support to the sisterhoods/women's groups in our district. To learn more we encourage conversations with current and past District and WRJ leaders who are always willing to share their experiences.

Please return the Nomination Forms by April 30, 2018. Forms may be submitted by e-mail or regular mail to Becky Markowitz. Contact information below.

Thank you for all you do for Reform Judaism, we truly are Stronger Together! Please contact me with any questions or if you would like additional information.
