

A Tribute to Our Leaders

The October 18-21, 2018 Convention of the Women of Reform Judaism Atlantic District will include a looping PowerPoint presentation to recognize all our leaders. Whether they lead a local women’s group, the Atlantic District, or WRJ North America and its global affiliates, this tribute presentation helps to raise funds to benefit the many activities of the Atlantic District and its sisterhoods. Each contributor and recipient will receive a copy of the PowerPoint presentation.

Please take this opportunity to contribute to this effort by recognizing or saying:

- Todah Rabah to your incoming/outgoing WRJ Atlantic District Board members
- Kol Hakavod to your sisterhood’s Board and committee members
- Yasher Koach to our hard-working convention committee
- Mazal tov to our Tikkun Olam recipient
- Ani Moda Lach to our Women of Valor

It will also be most by fitting to remember Nanci Pompan, WRJ Atlantic District President, who died this past January. In addition, we encourage clergy and professional staff, congregational presidents and Boards, individual sisterhood members and individual members of your congregation to place tribute ads.

To place a tribute, please complete the bottom form and return the form with your check payable to WRJ Atlantic District, to Miriam Baumgartner, 100 Kilgannon Ln., Lancaster, PA 17603. **Payment and copy must be received by September 28, 2018.** Yes, this is during Sukkot, so please plan ahead.
