

Northern Area Event
Saturday, Oct 26 to Sunday, Oct 27, 2013

On a rainy Saturday, three Sisterhoods in Toronto, Ontario, Canada hosted their Northern Area Event at Temple Sinai. The committee consisted of women from Holy Blossom, Har Zion and Temple Sinai. Over 65 women joined together to learn from women who have made a difference, moderated by Rabbi Teri Appleby of Holy Blossom. Later, we split into groups to study and talk about Women in the Bible with noted Rabbis and Educators in the area.

Havdallah was led by Cantor Katie Oringel from Temple Sinai and then of course dinner. We were wonderfully entertained by Rabbi Corey Weiss of Temple Har Zion and his Klezmer Band. We danced, learned and enjoyed the music. Sunday was inspiring with our panel of women volunteers who had made a difference. Of course, we had a WRJ presentation with NE District President Robin Sobol and WRJ Vice President Sara Charney, and then our closing ceremonies. Lunch and goodbyes followed and a good time was had by all.
