

The Tribute Tree

A new metal sculpture of a tree will grace our registration area at the Convention, reminding us how strong we have grown together as the Northeast District over the past ten years. Sixty percent of the proceeds from The Tribute Tree will be contributed to the YES Fund; forty percent will directly support programs and scholarships within our District. Please consider pre-ordering your leaves as a tribute to those who have served the Northeast District, continue to serve, or have accepted new responsibilities. All of our attendees, representing sisterhoods, women's groups, and individuals within WRJ deserve this honor!

Donors may honor attendees in the following categories:

Sugar Maple Leaf: \$360. Each incoming, ongoing, and outgoing District Board Member, including sisterhood/women's group presidents/group leaders will be acknowledged with a leaf in her honor, and you as the donor.

American Elm Leaf: \$180. Each incoming, ongoing, and outgoing Executive Committee Member will be acknowledged with a leaf in her honor, and you as the donor.

Charter Oak Leaf: \$36. You may purchase individual leaves as a tribute at \$36 each.

White Pine: \$18. You may purchase individual leaves as a tribute at \$18 each.
