

Plant a Seed in Our Garden of Giving!

In celebration of our tenth anniversary as Women of Reform Judaism Northeast District, a special motif has been designed incorporating the state and provincial flowers of our Northeast membership. It represents the many ways we have nurtured and supported the growth of the women of our movement, the sisterhoods, women's groups, and individual members who have done much to plant the seeds for our future.

Please consider giving a gift of sponsorship, to allow our endeavors to flourish! Donors will be acknowledged in our programs and literature distributed before, during, and after our Biennial Convention in Framingham, Massachusetts on October 25 – 28, 2018.
