
WRJ Women's Empowerment Dinner

Sponsorship Opportunities

On Saturday, December 14th, Women of Reform Judaism (WRJ) will host its Women's Empowerment Dinner at Union for Reform Judaism's (URJ) 2019 Biennial. This special event will honor women who help raise the voices of other women along with the Jewish Women's Archives for their dedication to preserving Jewish women's history. WRJ is dedicated to celebrating the power of women and helping women discover and raise their voices for social good. Those who attend this event will be inspired by the stories of these incredible women.

WRJ has been at the forefront of the Reform and Progressive Jewish Movement for more than 100 years, providing a platform for women's leadership training, innovative programming, and philanthropy. WRJ partners with other arms of the Reform Movement to support the next generation of leaders, engage our youth, strengthen progressive Judaism worldwide, and advocate for social justice. In particular, we raise up issues of concern to women, such as reproductive justice, pay equity, and gender equality. **Please consider supporting our work, which strengthens the Reform Movement and touches the lives of thousands of people around the world.**
